

**Welcome and Happy Chanukah to our honourable guest
representing the IDS**

**There is no word to describe the change IDS has brought to
our life.**

- **From a cold mouldy bedroom, with broken windows, to
ever such a pretty one**
- **From a no play home, to a wonderful airy garden**
- **From a unheated bathroom to ever such a posh one**
- **From a sealing coming down on our little heads, to a
pretty house to be proud off**

ALL THANKS TO THE IDS

WHAT IN MY MIND IDS STANDS FOR

INVINCABLE

DEDICATED

SERVICES

May god bless all of you

**That none of you should ever experience any bad in your entire
life**

Happy Chanukah
