

Getting to Know You

It is helpful to know things about you like whether you have a disability or what your preferred language is so that we can make sure we are providing an inclusive service.

To do this, we need your help. This is why we ask all our residents to complete this form.

The information you give us will be kept confidential and will only be used by us and our contractors in order to provide or monitor our services to you.

Please leave blank any questions you do not want to answer. The service you receive from us will not be affected if you prefer not to answer some of these questions.
