

Latest news and views from around the estate - from Industrial Dwellings Society (IDS)

Welcome to your first newsletter of 2024! We hope you had a fantastic festive period and New Year celebrations. We look forward to delivering more improvements to your properties this year and welcoming more of you along to our resident engagement activities.

The way you report your repairs has now changed as we are live with Evo! We know that 104 jobs have already been raised and 33 of these completed within the first 10 days of January. Please let us know if you have any feedback, both good and bad, about your experience of using the new system.

Block Champions

In conjunction with the Resident Committee, we are still looking for block champions across the estate. If you are interested, or want to know more, please let one of our team know.

A friendly reminder that any vehicles entering Evelyn Court without an 'e-permit' to park, have 20 mins waiting time. Any longer than this will result in a fine being issued.

Following the completion of 5 pilot kitchen and bathroom renewals, BTS are continuing with further survey appointments across the estate, so please accommodate these if you are contacted.

A huge thank you to the Resident Committee and Fit4Life for putting on such a fantastic Christmas Grotto event alongside the sponsors BTS and TRS who made a great contribution in making it happen.
